

Grahams CLAY SHOOT

Flambirds Farm Hackmans Lane, Purleigh, CM3 6RN. 01245 227233

INFORMATION

Dear Shooter

We run a 70 bird sporting layout clay shoot every other Sunday from Flambirds Farm. New shooters are always welcome as are beginners. We ask that all beginners wanting to have a go call by the Friday before the shoot to make sure that someone is available to give them tuition. If we know beginners are attending the shoot, we can set a simple have a go stand. This does also get used by more experienced shooters to get their eye in from time to time...

Each shoot is set as a different layout with two easy stands, two medium stands and two challenging stands. We have a permanent driven stand and set crossing, quartering, loopers, teal, rabbits, ABT and DTL targets.

We are a fibre wad ground only, plastic wads will be swapped on request. Anyone found using plastic wads may be excluded from the shoot.

We have several permanent shelters around the ground and a number of portable one which we put up to stop the weather spoiling your fun.

Tea, Coffee, Bacon rolls & Sausage rolls are available from 9am, the shoot starts at 9.30 (10am for December & January) and last entries 12.00

The shoot is run as an enjoyable relaxed shoot with a bit of healthy competition. Come and enjoy the fun.

Graham.
